*All tests reference the standard methods described in *Standard Methods for the Examination of Dairy Products, 17th Ed.*, American Public Health Association, 2004.

Accredited Laboratory

A2LA has accredited

PACKAGING CONSULTANTS INTERNATIONAL

Syracuse, NY

for technical competence in the field of

Biological Testing

This laboratory is accredited in accordance with the recognized International Standard ISO/IEC 17025:2017 *General requirements for the competence of testing and calibration laboratories*. This accreditation demonstrates technical competence for a defined scope and the operation of a laboratory quality management system (refer to joint ISO-ILAC-IAF Communiqué dated April 2017).

Presented this 19th day of August 2019.

A blue ink signature of the Vice President of Accreditation Services.

Vice President, Accreditation Services
For the Accreditation Council
Certificate Number 3497.01
Valid to September 30, 2021

For the tests to which this accreditation applies, please refer to the laboratory's Biological Scope of Accreditation.
