

Department of Health and Human Services
PUBLIC HEALTH SERVICE
Food and Drug Administration
Certificate of SSC Standardization

Is hereby presented to

Timothy Mertins

This certificate provides for the initial CFSAN Headquarters certification of Mr. Timothy Mertins as a Single-Service Consultant (SSC) as provided for within the 2017 *Procedures*. Mr. Mertins was certified in accordance with the current provisions and standards of the National Conference on Interstate Milk Shipments (NCIMS) and the Federal/State Cooperative Grade "A" Milk Safety Program and is fully qualified to conduct IMS Listing certifications of foreign single-service containers and/or closures for milk and/or milk products manufacturers in accordance with the *Methods and Procedures* of the NCIMS program.
